

GIVE PET OWNERS THE CONFIDENCE TO ADMINISTER MEDS LIKE A VET!

When we help clinics educate the pet owner, we help them increase their compliance, have happier customers, and improve their bottom line!

SAVE YOUR CLINICS TIME

Pet owners can watch the how-to-apply videos for help properly administering the product, eliminating multiple lengthy explanations during curbside visits and over the phone.

RAISE CLIENT COMPLIANCE

Pet owners can schedule treatment reminders so they never miss a dose! Clinics can give pet owners a resource they'll have at their fingertips.

IMPROVE CLIENT RETENTION

When pet owners feel more confident in their vet experience, they're more likely to receive positive results that lead to returning customers.

SPEND LESS THAN THE NAME BRAND

Clinics save with a product that's bioequivalent to the name brand product, plus a resource that will help them and their clients succeed!

OPEN ENDED QUESTIONS AND DISCUSSION TOPICS

What kind of challenges are you facing with connecting to pet owners during curbside consultations?

- ✔ The step-by-step videos in the app help pet owners to accurately apply medication. Save time by cutting down on the number of questions and follow-up calls.

What issues do you experience with pet owner compliance? Do you currently provide them with any tools or resources?

- ✔ Pet Owners will never miss a dose with the medication reminders. Plus, providing an easy to use resource will give them more confidence in their ability to care for their pet.

In your opinion, what is the biggest influence on convincing customers to stay at your clinic?

- ✔ Give your clients a positive experience to keep them coming back. The Pet Med Reminder app gives pet owners everything they need for a successful treatment the first time.
